

An aerial view of a residential development. The scene shows a mix of brick and white houses with dark roofs, some with gabled roofs and others with more complex rooflines. The houses are arranged in a row, with some having small front gardens. A winding path or road runs through the development, and there are several green lawns and trees. In the background, there is a large green field with a winding path and a small pond. The text 'Appartementenbouw (2 typen)' is visible in the lower left corner of the image.
